NOTICE OF REMOVAL

Watson Grinding & Manufacturing Co. (the “Debtor”) files this Notice of Removal of the state court action styled *Gilberto Figueroa and Isabella Figueroa v. Watson Grinding & Manufacturing Co., Watson Valve Services, Inc., KMHJ Management Company, LLC, KMHJ, Ltd., Western International Gas & Cylinders, Inc., and Matheson Tri-Gas, Inc.*, Cause No. 2020-08062, pending in the 61st Judicial District Court of Harris County, Texas (the “State Court Action”).

I. Procedural Background and Nature of Suit

1. On February 4, 2020, Gilberto and Isabella Figuero (collectively “Plaintiffs”) filed an Original Petition, Request for Disclosure and Rule 193.7 Notice (the “Original Petition”) against

Watson Grinding & Manufacturing Co., Watson Valve Services, Inc., KMHJ Management Company, LLC, KMHJ, Ltd., Western International Gas & Cylinders, Inc., and Matheson Tri-Gas, Inc. (collectively, the “Defendants”). In their Original Petition, the Plaintiffs assert claims of negligence and gross negligence against the Defendants.

2. On February 6, 2020 (the “Petition Date”), the Debtor filed its voluntary petition under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), commencing the bankruptcy case captioned *In re Watson Grinding & Manufacturing Co.*, Case No. 20-30967, pending in the United States Bankruptcy Court Southern District of Texas, Houston Division (the “Chapter 11 Bankruptcy Case”).

3. On March 25, 2020, KMHJ, Ltd. and KMHJ Management Company, LLC filed an Original Answer.

II. Basis for Removal

4. This Notice of Removal is filed pursuant to 28 U.S.C. § 1452, Bankruptcy Rule 9027, and Local Bankruptcy Rules 9027-1, 9027-2, 9027-3, and the *General Order of Reference* entered by the District Court of this District on March 10, 2005.

5. The State Court Action was initiated prior to the commencement of the Chapter 11 Case. This Notice of Removal has been timely filed pursuant to Bankruptcy Rule 9027(a)(2). *In re R.E. Loans, LLC*, No. 11-35865, 2012 WL 3262767, at *2 (Bankr. S.D. Tex. Aug. 8, 2012).

6. Venue in this Court is proper pursuant to 28 U.S.C. § 1409.

7. Cases subject to jurisdiction are removable under the authority of 28 U.S.C. § 1452(a) (“A party may remove any claim or cause of action...to the district court for the district where such civil action is pending, if such district court has jurisdiction of such claim or cause of action under section 1334 of this title”). The State Court Action, including all claims and causes of action asserted therein, is a civil action other than a proceeding before the United States Tax Court. The State Court

Action is not a civil action by a government unit to enforce such government unit's police or regulatory power.

8. This Court has jurisdiction over this case pursuant to 28 U.S.C. § 1334(b) (federal district courts have "original jurisdiction of all civil proceedings...arising in or related to cases under title 11"). The State Court Action "arises in" or, alternatively, is "related to" a Title 11 case, *i.e.* the Debtor's Chapter 11 Bankruptcy Case. In this circuit, "related to" proceedings include any case whose outcome "could *conceivably* have any effect on the administration of the estate." *In re Wood*, 825 F.2d 90, 93 (5th Cir. 1987) (emphasis added); *In re Baudoin*, 981 F.2d 736, 740 (5th Cir. 1993).

9. The resolution of this State Court Action will have a direct impact on the bankruptcy estate of the Debtor. The State Court Action is related to the Debtor's Chapter 11 Bankruptcy Case because the outcome of State Court Action could conceivably change the Debtor's rights, liabilities, or options in a way that would have an effect upon the handling and administration of the bankruptcy estate.

10. Thus, the claims asserted in the State Court Action are claims that arise in or are otherwise related to the Debtor's Chapter 11 Case pursuant to 28 U.S.C. § 1334(b), and removal to this Court is proper pursuant to 28 U.S.C. § 1452(a).

III. Core or Non-Core Bankruptcy Jurisdiction

11. This action involves the administration of the Debtor's estate and is a proceeding affecting the adjustment of the debtor-creditor relationship; it is, therefore, a core proceeding under 28 U.S.C. § 157(b)(2)(A)(B)(C) and (O). The claims and causes of action in the State Court Action have a clear and direct impact on the interests and property of the Debtor's estate under 11 U.S.C. §541.

12. Upon removal of the State Court Action, the Debtor consents to the entry of final orders or judgment by the bankruptcy judge.

IV. Parties and Notice

13. Pursuant to 28 U.S.C. § 1452(a), Federal Bankruptcy Rule 9027(b), and Local Rule 9027-1, all adverse parties are being provided with a copy of this Notice of Removal and a copy of this Notice of Removal is being filed with the clerk of the 61st Judicial District Court of Harris County, Texas.

14. In accordance with Local Rule 9027-1(a), the names and addresses of the parties and counsel in the State Court Action, who have or will be served with the notice, are as follows:

17. In accordance with Bankruptcy Rule 9027(c), the Debtor will promptly file a notice of the filing of this Notice of Removal in the State Court Action.

WHEREFORE, the Debtor notifies the United States Bankruptcy Court for the Southern District of Texas, Houston Division, that the State Court Action is hereby removed in its entirety to this Court pursuant to 28 U.S.C. § 1452(a) and Bankruptcy Rule 9027.

V.
FACTUAL BACKGROUND

13. Defendant Watson Manufacturing is a local company with its facility located at 4525 Gessner Road, Houston, Harris County, Texas 77041 (the “Watson Plant”). Defendant manufactures and services valves and pump components for the chemical, offshore, and aerospace industries. Since 2006, the Occupational Safety and Health Administration (“OSHA”) has found at least three violations wherein individuals reported injuries at Defendant’s facility. In 2013, OSHA fined Defendant for failing to properly control hazardous energy and materials. In 2015, Defendant failed to include propylene, a hazardous chemical, in its mandatory inventory reporting to the state’s governing and regulating authorities.

14. On January 24, 2020, Plaintiffs were at their respective homes in Northwest Houston when an explosion occurred at the Watson Plant. The explosion destroyed nearby commercial and residential buildings and resulted in damages to Plaintiffs’ personal property. It is believed that the explosion was caused by a combination of propylene and natural gas which were near each other at the Watson Plant. It is not yet known how propylene was stored at Defendants’ facility, but if a company has more than 10,000 pounds of propylene, it is required to have a Risk Management Plan on file with the Environmental Protection Agency. Defendants did not and do not have a Risk

Management Plan on file.

15. Plaintiffs were within the blast radius and vicinity of the Watson Plant at the time of the explosion and were awoken by the unexpected blast. In an effort to protect themselves and escape their residences, Plaintiffs suffered serious bodily and emotional injuries.

16. It has been reported that at least two individuals died as a result of the incident made the basis of this lawsuit. At the time of this filing, it is believed that over 200 residences within the vicinity of the Watson Plant have suffered varying degrees of damages.

VI.
NEGLIGENCE (ALL DEFENDANTS)

 - t. Failing to safely monitor propylene and the gas at the Watson Plant;
 - u. Failing to adequately place the propylene and natural gas on premises; and
 - v. Failing to implement effective systems for the safe storage and use of propylene and natural gas at the Watson Plant.
18. Defendants' acts and omissions were a proximate cause of Plaintiffs' injuries.

VII.
RESPONDEAT SUPERIOR

19. Defendants are liable for the torts committed by its employees during the course and scope of the employee's employment. At the time of the incident made the basis of this lawsuit, Defendants' employees were negligent and grossly negligent while in the course and scope of their employment with Defendants (and in furtherance of Defendants' businesses). Defendants' employees and representatives had a general duty to exercise reasonable care in performing their work. Defendants' employee, however, failed to exercise the requisite standard of care, were negligent, and were grossly negligent. As a result, Defendants are liable for all injuries sustained by Plaintiffs.

VIII.
GROSS NEGLIGENCE (ALL DEFENDANTS)

20. Plaintiffs re-allege each aforementioned allegation in this petition. Defendants had a duty and responsibility to act (or not act) in ways that involve an extreme degree of risk, considering the probability and magnitude of the potential harm to others and of which the Defendants have actual, subjective awareness of the risk involved, but nevertheless proceeds with conscious indifference to the rights, safety, or wellbeing of others. Tex. Civ. Prac. Rem. Code §41.001(11). Defendants knew or should have known of the risk associated with using incorrect, insufficient, or defective piping for the propylene and/or natural gas as well as the risk associated with keeping the two extremely combustible materials in close proximity to each other at the Watson Plant. As a result of Defendants' actions or omissions, Plaintiffs pray that Defendants be found grossly negligent and Plaintiffs be awarded punitive damages against Defendants.

XI.

WHEREFORE PREMISES CONSIDERED, Plaintiffs pray that they obtain a judgment against Defendants, jointly and severally, for damages pled herein and for such other relief, both in law and equity, to which Plaintiffs may show themselves justly entitled.

III.

Defendants KMHJ, Ltd. and KMHJ Management Company, LLC assert that Defendants are not liable in the capacity in which they have been sued. Defendants KMHJ, Ltd. and KMHJ Management Company, LLC did not operate nor manage a manufacturing or production facility in Houston, Harris County, Texas.

IV.

Further pleading, Defendants allege the action in question and any resulting damages were as a result of the acts or omissions of other named parties or entities and Defendants invoke the provisions of Texas Civil Practice Remedies Code, including but not limited to Chapter 33 and §33.001; §33.002; §33.003; §33.004; §33.011; §33.012 and §33.013.

V.

Further pleading, if necessary, Defendants allege and hereby invoke the privileges of Chapter 41 of the Texas Civil Practice Remedies Code, including but not limited to §41.001; §41.002; §41.002(a)(b)(c) and (d); §41.003; §41.004; §41.006; §41.007; §41.008; §41.009; §41.010; §41.011; §41.012 and §41.013.

VI.

Further pleading, if necessary, in the alternative, Defendants allege that they did not breach any duty owed to Plaintiffs or any other party and any alleged acts or omissions of Defendants, KMHJ, Ltd. and KMHJ Management Company, LLC and were not a proximate cause of the alleged accident in question and the resulting damages.

VII.

Further pleading, if necessary, in the alternative, Defendants assert all available defenses under §41.0105 of the Texas Civil Practice Remedies Code; in addition to any other limitation or law, recovery of medical or healthcare expenses incurred is limited to the amount actually paid or incurred by or on behalf of Plaintiffs.

VIII.

Further pleading, Defendants submit Plaintiffs' claims for punitive damages, exemplary damages, if any, are limited under the Texas Civil Practice and Remedies Code §41.008 with the amount of recovery of exemplary or punitive damages not to exceed two times the amount of economic damages, plus, an amount equal to any non-economic damages found by the jury, not to exceed the sum of \$150,000; or \$200,000. *See* Texas Civil Practice Remedies Code §41.008. Plaintiffs further may not recover any interests from any award of punitive or exemplary damages. *See* Texas Civil Practice Remedies Code §41.007.

IX.

Further pleading, Defendants argue any award of punitive or exemplary damages is unconstitutional and that the award of such damages constitutes punishment and violation of the Eighth Amendment of the United States Constitution. Plaintiffs' claims for punitive or exemplary damages violates both the U.S. and Texas Constitutions guaranteeing the right to due process as provided in the Fifth and Fourteenth Amendments of the United States Constitution, in addition to Article One, Section Nineteen of the Texas Constitution.

X.

Further pleading, punitive and exemplary damages violate the double jeopardy clause of the Fifth Amendment to the United States Constitution. Plaintiffs' claim for punitive or exemplary damages also violates Defendants' right to protection from being subjected to excessive fines, as

provided in Article One, Section Thirteen of the Texas Constitution. Claims for punitive damages should be separated from compensatory damages in a bifurcated trial. Otherwise, evidence admissible on the question of punitive damages may inflame and destroy a jury's assessment of compensatory damage liability.

WHEREFORE, PREMISES CONSIDERED, Defendants KMHJ, Ltd. and KMHJ Management Company, LLC pray that Plaintiffs recover nothing of and from Defendants, and Defendants be discharged to go hence without delay and recover their cost, that Plaintiffs' claims and/or causes of action be dismissed, and for such other and further relief to which Defendants, KMHJ, Ltd. and KMHJ Management Company, LLC may be justly entitled.

Respectfully submitted,
